- (a) Security is exempt from registration pursuant to Rule 144A under the Securities Act of 1933, as amended. These securities may only be resold in transactions exempt from registration to qualified institutional investors. As of December 31, 2023, the value of these securities total \$37,086,291 or 37.0% of the Fund's net assets.
- (b) Coupon rate is variable or floats based on components including but not limited to reference rate and spread. These securities may not indicate a reference rate and/or spread in their description. The rate disclosed is as of December 31, 2023.
- (c) Fair value determined using significant unobservable inputs in accordance with procedures established by and under the supervision of the Adviser, acting as Valuation Designee. These securities represented \$925,650 or 0.9% of net assets as of December 31, 2023.
- (d) Coupon rate is variable based on the weighted average coupon of the underlying collateral. To the extent the weighted average coupon of the underlying assets which comprise the collateral increases or decreases, the coupon rate of this security will increase or decrease correspondingly. The rate disclosed is as of December 31, 2023.
- (e) Zero coupon bonds make no periodic interest payments but are issued at a discount from par value.
- (f) Represents less than 0.05% of net assets.
- (g) Non-income producing security.
- (h) The rate shown represents the 7-day effective yield as of December 31, 2023.
- (i) The rate shown is the effective yield.
